

Point Pleasant Borough High School PTO
c/o PPBHS
Laura Herbert Driver
Point Pleasant, NJ 08742

September 2011

Dear Parents:

The PPBHS PTO is a volunteer organization that supports our students and faculty in many areas not covered by school budgets. We also serve as liaisons between parents, teachers and administration, and provide a forum for gathering information about what is going on in your school and in your district. We work to enhance your student's school experience and we need your help.

As volunteers of this organization, we are able to provide scholarships to graduating seniors and support Project Graduation, the culminating event of High School. The PTO also sponsors both large and small projects that help to improve our school community.

Please become a member of the PTO and attend our monthly meetings. Membership is required for scholarship consideration and dues are only \$5.00 per family. Checks should be payable to **PPBHS PTO** and can be mailed or brought into the HS main office. The first meeting is scheduled for **Wednesday, September 21, 2011**, at 7:00 pm in the High School Media Center (Library in rear of HS building). Come meet the PTO Board, other parents, and administration.
