

January 2019

Dear Friend,

The Point Pleasant Borough High School Multiply Disabled Transition Program is preparing for our annual gift auction, sponsored by the Point Pleasant Elks. This fundraising event is very important to us. It is our largest fundraiser of the year and will provide us with the means to supplement our prom as well as support extraordinary needs and field trip experiences throughout the year. We are both thrilled and grateful that the Crystal Point Yacht Club has graciously offered to donate their facilities as well as the food and beverages for this year's May prom. The students look forward to this memorable experience throughout the school year. As the event draws near, they delight in discussing their prom attire and practicing their dance steps in class. Students also anticipate the limousine ride to the special affair during which they will dance the night away and take breaks to pose with props in the photo booth.

As in the past, the success of our fundraiser exclusively depends on contributions from friends, patrons and sponsors in the community who generously donate items to be put into our auction. Please consider supporting our auction fundraiser in one of the following ways;

- Creating your own gift basket or donating items toward a "themed" gift basket
- Donating a gift card from your favorite restaurant to our "Dine Around" table
- Journal ad: \$250 full page, \$150 ½ page, \$75 business card. You may send PDF to email [Abkgearing@aol.com](mailto:Abkgearing@aol.com) or school mail.
- Sending in a monetary donation, payable to: *PPBOE Multiply Disabled Transition Program* (address: *Multiply Disabled Program, c/o Phyllis or Anne, Point Pleasant Borough High School, 2100 Panther Path, Point Pleasant, NJ 08742*)

The 2019 gift auction will be held on Saturday, February 23, 2019 at the Point Pleasant Elks Lodge. We ask that all donations reach either Phyllis or Anne no later than Friday, February 1st. Please call/and or email Phyllis (848) 333-5767 [phyllis91456@aol.com](mailto:phyllis91456@aol.com) or Anne (732) 330-8058 [abkgearing@aol.com](mailto:abkgearing@aol.com) or with any questions or donation suggestions.

Thank you for your support,

Phyllis Thomson & Anne Gearing
